St. Patrick's Rowing Club
Location: Ringsend, Co. Dublin

The oldest skiff-rowing club in Dublin will be launching their traditional skiffs from a modern new pontoon at the mouth of the River Liffey thanks to support from Community Finance Ireland.

The new infrastructure will enable the club to streamline their activities – getting their heavy training boats on the water with less manpower – and crucially make their boats fully accessible for wheelchair users.

"So much of our community is steeped in this rich history but we also want to give our members the best, most advanced infrastructure that we can and importantly, to make it accessible to everyone in the community. This new pontoon means we can get everyone out on the water to enjoy this fantastic sport. We would not have been able to achieve this with out the support of Community Finance Ireland and Barry in particular."
