Pallasgreen Templebraden Community Council
Location: Pallasgreen, Co. Limerick

Using social finance loans from CFI to bridge the gap in grant funding, Pallasgreen Templebraden Community Council have installed a new community playground, a sensory garden and walkway and renovated their community hall.

The revitalised community hall hosts weekly exercise classes, youth club activities and is home to the Blasta Café which has become a hub for locals to meet and enjoy some of Anne O'Dowd's delicious home bakes.

" I came across Community Finance Ireland at an event. After a short chat they agreed to come out to us to speak to us, to understand what project was and then basically helped us to learn how to borrow to cover the grant. It was smooth, they made it work well, made it so you could actually understand what the process was."
