Compass Advocacy Network (CAN) was established in 1997 to provide education, learning and employment opportunities for vulnerable adults. CAN's bases provide social and leisure opportunities for over 50 people with learning disabilities per day, five days a week in Ballymoney, Ballymena and Coleraine.

In 2022 with Community Finance Ireland's support, CAN purchased and developed a social farm in Ballymoney, Co. Antrim, extending their services and providing additional training and leisure opportunities for their service users.

"Peter and the team really understand and encouraged our plans for growth and development. We couldn't have made our plans for the farm a reality without him and the team at Community Finance Ireland."
